

HEALTH AND SAFETY POLICY

At Eletta Flow AB, we shall consider the safety, health and wellbeing of our employees first.

Striving to provide a safe and healthy work environment adds value to our business, contributing to both quality and productivity, it increases engagement and improves the wellbeing of our people.

We share the responsibilities of health and safety for everyone.

Our managers strive to implement health and safety laws and other applicable requirements and work procedures.

Our employees shall be involved in continuous improvements of the work environment.

The policy is founded to prevent accidents, incidents, injuries, work-related illnesses and unsafe acts. Eletta Flow AB strive to continuously improve and maintain a safe and healthy work environment.
